

Pre-Departure FAQs

DIS- Study Abroad in Scandinavia • International Educators Conference (IEC)
June 24-28, 2019

Do you have 6 months validity remaining on your passport?

Many countries, including Denmark, require that your U.S. passport have 6 months validity remaining for entry. (In other words, your passport should not expire for at least 6 months after your planned travel dates for IEW). If your passport does not have the required validity, renew it as soon as possible to ensure that you have a valid passport in plenty of time prior to your departure date.

When and where does the conference start and end?

The conference will begin in Stockholm the morning of Monday, June 24. We recommend that participants arrive to Stockholm no later than Sunday, June 23. The conference will end in Copenhagen on the evening of Friday, June 28 with a concluding event. We recommend that participants depart from Copenhagen no earlier than Saturday, June 29.

How do I get to Copenhagen from Stockholm?

Transportation from Stockholm to Copenhagen will be integrated into the day's programming on Tuesday, June 25. DIS will make these arrangements for all IEC participants. More information about these arrangements will be announced in the spring.

Where should I stay?
