[DISabroad.org/scholarships](https://disabroad.org/scholarships)

DIS is here to support you; if you have any questions about funding your term abroad, please reach out to the DIS North American Office.

Two types of scholarships are accessible via this form:

- **Need-Based Scholarship:** range from \$500 - \$6,000 per semester, and \$250 - \$1,500 per summer based on the duration of your session(s). Scholarship is awarded based on financial need.
- **Diversity Scholarship:** DIS seeks to promote a diverse student body by providing financial support to students from populations traditionally underrepresented in study abroad including but not limited to diverse ethnic, racial, cultural, or educational backgrounds, sexual orientation, national origin, disability, age, veteran status, etc. Diversity Scholarships are available up to \$6,000 per semester and maximum \$250 - \$1,500 per summer based on the duration of your session(s).

Note:

- You are welcome to apply to both scholarships, but keep in mind that the combined maximum is typically \$6,000 per semester
- The Jacob Buksti Memorial Scholarship and the Anders Uhrskov Leadership Scholarship are merit-based and use a different application process. Please visit [DISabroad.org/scholarships](https://disabroad.org/scholarships) for the form
