Where am I covered?

- ✓ The insurance provides cover during your stay in Sweden and worldwide for trips while enrolled in DIS' program in Sweden. However, the insurance does not apply in areas listed on ERGO Forsikring's war zone list. Read more [here](#).

What are my obligations?

- In case of emergency you must contact ERGO Alarm.
- You must save receipts, medical certificates and other evidence documenting your claim. Your claim must be sent to ERGO Forsikring as soon as possible.
- To be entitled to full compensation, you must meet the requirements and regulations set out in the insurance terms and conditions.

When and how do I pay?

The insurance premium is paid to DIS as part of the Study Abroad in Scandinavia Program. The insurance must be paid for before departure from your home country in order to be valid during your stay in Sweden.

When does the cover start and end?

For you as a participant of DIS' program the insurance provides cover from the time you arrive in Sweden and until you depart to back home. The validity of your insurance is stated in your insurance policy.

How do I cancel the contract?

The insurance can only be terminated in writing by DIS or by ERGO Forsikring.
