

Tele2 Phone Plan Examples

Below are examples of the scope of coverage included in the Tele2 phone plan. Please call the North American Office at 612 361 2200 if you have further questions.

In the examples below, Germany can be replaced with any EU country and the same rules will apply.

Texting

- If you are in **Sweden** and want to text a **Swedish** number: Free
- If you are in **Sweden** and want to text a **U.S.** number: Small roaming rate*
- If you are in **Sweden** and want to text a **German** number: Small roaming rate
- If you are in **Germany** and want to text a **Swedish** number: Small roaming rate
- If you are in **Germany** and want to text a **U.S.** number: Small roaming rate
- If you are in **Germany** and want to text an **Italian** number: Small roaming rate

Calling

- If you are in **Sweden** and want to call a **Swedish** number: Free
- If you are in **Sweden** and want to call a **U.S.** number: Small roaming rate
- If you are in **Sweden** and want to call a **German** number: Small roaming rate
- If you are in **Germany** and want to call a **Swedish** number: Small roaming rate
- If you are in **Germany** and want to call a **U.S.** number: Roaming rate
- If you are in **Germany** and want to call an **Italian** number: Roaming rate

***Small roaming rate:** Texts/Calls to non-Swedish phone numbers will incur a small roaming rate (usually 40 cents per text/minute) that will be deducted from the cash balance that you load on to your account. To avoid these charges, use iMessage, WhatsApp, Facebook Messenger, or other chat services that use Wi-Fi or data.

Check with Tele2 for specific roaming rate details.
